

Dear Parents,

We have reached the time of year when we are receiving calls from families looking for space for next year. It is our goal to meet our current families' needs first before filling slots with new students. Attached is the form to be filled out and returned to reserve space for your child and/or a sibling for next year. If your child is not returning next year please check that space on the attached form and return the form to school. If you are uncertain please let us know and we can keep your child in mind as we are filling spaces and make you aware if spaces are filling up. A deposit of 1/2 the first month's tuition must be paid by June 1<sup>st</sup> to reserve your space for next year.

There will be a small increase in tuition rates for the 2022/2023 school year. Below is a tuition sample of the most common schedules. If you have a schedule not listed here let me know and I can get that information to you.

3 half days per week: \$237 per month  
4 half days per week: \$316 per month  
5 half days per week: \$395 per month

2 full days per week: \$316 per month  
3 full days per week: \$430 per month  
4 full days per week: \$544 per month  
5 full days per week: \$680 per month

We are hopeful that the 2022/2023 school year will look a little more "normal". At this time we do not know what that will look like exactly. We will follow the guidance of the CDC and our healthcare consultant to make sure that we have the safest possible school environment. We will keep you informed of changes to protocols and procedures as we get closer to the fall.

If you have any questions or need any additional information please let me know.

**Please fill out and return the attached form by March 18, 2022**

Thank you,  
Amie
